

Quality Policy Statement

CMR Group will strive to meet customer expectations through a quality culture which embraces a zero defect mind-set in everything we do.

- We build quality in to our products and processes.
- We strive to eliminate variation in all our processes.
- Our people accept accountability and responsibility for the work they do and the processes they support.
- We are one Group, one Team, improving quality is about everything which every one of us does every day.
- We challenge the norm, everyone is empowered to stop and challenge whenever something does not feel right.
- We will ensure the correct resources are provided to support our Quality objectives.

THE FUTURE BELONGS TO THOSE WHO CHALLENGE THE PRESENT.

This policy will be reviewed at least annually.
